The destruction of the ancient world

Post by “Cassius” of May 3, 2022 at 8:21 AM

Nate I think this probably should be Thomas PAINE but I didn't change it....

>
> Colonial North America versus self-described "Deists" like Thomas Young and Ethan Allen.

Also notable in the time period was Elihu Palmer, who's book "Principles of Nature" I have read in the distant past and found to be pretty good (but that was in my pre-Epicurean days, so no warranty!). Links to his work are here: https://onlinebooks.library.upenn.edu/webbin/book/lo...hu%2C+1764-1806
