

"All Good And Evil Consists In Sensation" - Comparison of Translations

Post by "Don" of February 17, 2021 at 7:17 PM

I've been thinking some more about this. Without any sort of "Platonic" ideal form of "good" or "evil" the only way to judge good or bad is if it elicits pleasure or pain. That is why I believe Epicurus can say pleasure is **the** good. There's no other yardstick - literally, canon - to measure "the good."
