

Epicurean philosophy vs. Stoicism in public popularity

Post by "Cassius" of March 13, 2021 at 7:47 PM

Godfrey if that is a theme of "Zen and the Art of Motorcycle Maintenance" - which I have never read - I would be interested in whether there are also parallels to Lucian's "Hermetimus" - if you have read that. I think of Hermetimus as one of the best arguments against chasing too many rabbits, but I did not realize that that was an aspect of "ZATAOMM"
