

Welcome Adamsandvoid!

Post by “AdamSandvoid” of April 13, 2021 at 7:14 PM

[Cassius](#), this is really great. Thank you for posting the links to the Web site. I appreciate that. I did get some additional traffic today and some people signed up for the newsletter which is very cool! I think my username is kind of clever either way -- as an Adam Sandler reference, which is how I began, or as AdamsAndVoid. Go with whatever makes you feel better. :)
