

PD35 - Plato's ring myth, and gods

Post by “Cassius” of June 10, 2021 at 9:49 PM

OK I am thinking of this from [Bailey's "Extant Remains"](#): (I don't see the original source cited, but i think this is just a reworking of Usener's cites)

Quote

II. Problems._

2. Will the wise man do things that the laws forbid, knowing that he will not be found out? A simple answer is not easy to find.
