

The blazing battlements of the world

Post by “Mathitis Kipouros” of July 17, 2021 at 6:24 PM

Just getting into full-nerd-mode, because it's not significant but it's weird nonetheless: Strange that MFS would talk about this as something so obvious, dropped casually as a 1 line footnote without further references or information, and yet we're not being able to pin point what exactly is he talking about.
