

Episode Eighty-One - Development of the Arts - The End of Book Five

Post by "Cassius" of July 31, 2021 at 7:22 PM

It would be natural for "purpose" to be a prime concern of Epicurus - probably so much so that "purpose" is primarily the first thing on his mind and all else is a subtext, since in the end he has concluded that our great need in life is pleasure/ happiness and you would never expect him to be very far from that premise.
