

## Translation (A poem)

Post by “Joshua” of August 5, 2021 at 9:05 AM

You're spot on Don, the last line gave me by far the greatest struggle.

My original wording was:

*The poet's verse*

*Was fine and subtle—*

*The translator's,*

*A f\*\*\*ing joke!*

I then switched "ash and oak" and rhymed it 'trash'...

I'll keep 'tinkering', as you like to say 😊
