

## **So, this is what we're up against...**

**Post by "Cassius" of August 12, 2021 at 9:09 PM**

Ok now the luddites like me who don't have an instagram account will be able to see it. I am surprised that it didn't provide an error message or something - it just appeared to me as a totally blank post.

Actually I never signed up for instagram because I couldn't figure out the use case. What does it provide that Twitter and Facebook don't?
