

# Various ideas of happiness

Post by "Don" of August 13, 2021 at 10:39 AM

## [Quote from Cassius](#)

I note you used the term "naturally-occurring phenomenon" rather than "pleasure" - but do we agree that "pleasure" or "the feeling of pleasure" is the ultimate meaning of the reference?

Yes, The "feeling of pleasure" *is* the "naturally-occurring phenomenon." Living things feel pleasure. I'll try to get to your other questions soon.
