

NPR Fresh Air: Dr. Anna Lembke on pleasure, pain, and addiction

Post by "Cassius" of August 27, 2021 at 4:19 PM

I'm going to say "No" because I don't even think Epicurus talked or was concerned about katastematic pleasure much at all, as per the [Nikolsky](#) article. On the other hand absence of pain and absence of disturbance do seem to have figured into the discussion mix from Epicurus himself.

What is the definition you're working with for 'homeostasis'
