

## PD24 - Alternate Translations

**Post by “Joshua” of September 8, 2021 at 7:29 AM**

Suppose I decide that I am absolutely completely convinced by all my faculties and life-long experiences that *Jesus Christ is the Living God*, which I identify in my mind as a concept I entitle *Christianity*.

I am persuaded of the truth of *Christianity* beyond any need for seconds further data or reflection.

Has *Christianity* now entered into what I should understand from Epicurus that my canon of truth should be?
