First effort at a meme:

Which Type of Epicurean Are You?

A "Tranquilizer" Epicurean:

"The Ultimate Tranquilizer. One part Greek philosophy, two parts Acceptance of death. Dilute ten drops in water from a duck's back. If symptoms persist, see your local Epicurean." From "The Ultimate Tranquilizer" - PhilosophyNow.org

A "Carpe Diem" Epicurean:

VS 14. "We have been born once and cannot be born a second time; for all eternity we shall no longer exist. But you, although you are not in control of tomorrow, are postponing your happiness. Life is wasted by delaying, and each one of us dies occupied." - From Epicurus himself, as recorded in the "Vatican List of Sayings"

www.NewEpicurean.com / www.EpicureanFriends.com

Probably best answer: "Both have their uses, but I'll take Adrenalin any day!!" Probably a flunking / Stoic answer: "Give me the tranquilizer!!!"

Also: Hows that for a catchy acronym? C.D.E... Too bad this would be just slightly off: B - A - C - D - E !
