

An Epicurean Understanding of Pleasure

Post by "Don" of October 7, 2021 at 1:26 PM

One thing that just struck me is:

We choose which *desires* to choose and reject not pleasures.

Desires are necessary, natural, etc.; Pleasures are NOT categorized. By definition, all pleasures are "good." It is the results of desires for specific pleasures that feed into whether one chooses to fulfill a desire or not.
