

An Epicurean Understanding of Pleasure

Post by "Don" of October 7, 2021 at 5:24 PM

[Quote from Cassius](#)

[Quote from Don](#)

We cannot rank pleasures.

Wait are you disagreeing with Godfrey's point too when he says "of course they're not"?

I definitely rank my pleasures -- steak is much more pleasant than hot dogs.

I would say you rank your desires. A desire for steak is stronger for *you.* That doesn't rank the "pleasure" derived from steak better than that from hot dogs.
