Here's my submission for # 4: "Shepherd, what art thou pursuing?" from Acis & Galatea

<https://youtu.be/NVMMd3JpTIY?t=1197>The lyrics since Opera can be hard to discern sometimes.

"Shepherd, what art thou pursuing?

Heedless running to thy ruin;

Share our joy, our pleasure share,

Leave thy passion till tomorrow,

Let the day be free from sorrow,

Free from love, and free from care!"
