

# Episode Ninety-Three: Torquatus Leads Us Forward Into Conflict Over Epicurean Ethics

Post by “Don” of October 30, 2021 at 3:38 PM

[Quote from Godfrey](#)

[PD03](#) isn't an unattainable goal, I think we've all had moments of experiencing the limit. But if we were able to live constantly in that state, then we'd be like the gods!

Ok I think I can give you that one. 😊 It's just not an attainable permanent state.
