[Matt](#) and [Cassius](#) , I think you've identified Fundamentalism/Absolutism in all its many-tentacled form as the problem. Whether it's religious or secular in nature, any institution that holds up any non-evidentiary dogma as THE way to live *or else* is going to, shall we say, present problems. I'm not sure if that covers the Temple of TikTok (good one!), but it covers those who are bent on shoving their virtue on everyone.
