

Should Epicurean Philosophy Be Made More Accessible?

Post by “Godfrey” of January 1, 2022 at 10:59 PM

Preparing an outline and incorporating the resulting feedback was extremely helpful for me, and provided some good guidance in how to proceed with grasping the philosophy. I confess it was intimidating at first, as I'm quite new to studying philosophy. But the exercise was well worth it.

(I should probably take another look at mine and see how my understanding has evolved since then....)
