

Should Epicurean Philosophy Be Made More Accessible?

Post by “Kalosyni” of January 1, 2022 at 11:11 PM

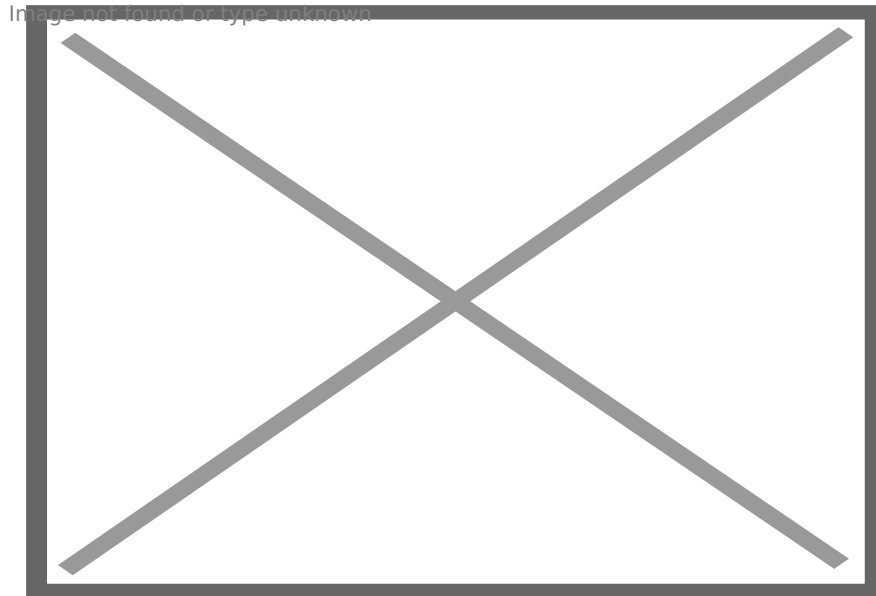

For anyone who feels that studying Epicureanism (and the resources on this website) is like an "independent study college course"...then these study tips might be a way of going about it:

Bloom's Taxonomy - remember, understand, apply, analyze, synthesize, evaluate, create:

[Higher Order Thinking: Bloom's Taxonomy - Learning Center](#)

Many students start college using the study strategies they used in high school, which is understandable—the strategies worked in the past, so why wouldn't...
