

Proselytising and pleasure: compatible?

Post by "Cassius" of January 7, 2022 at 6:23 AM

[Quote from Don](#)

I can take a hint

Ha -- no hint intended. You're not being too harsh and i agree with your criticism of DeWitt in that department. Perhaps not all the way to "absurdity" but even for me I think DeWitt's tendency went overboard. But that maybe because I am so committed at this point in life against making too many compromises with Christianity (or Stoicism).
