

PD10 - Interpretations of PD 10 Discussion

Post by "Cassius" of January 8, 2022 at 8:34 PM

Yes I would say unrestrained hedonism in the sense that there is nothing other than pain that restrains pleasure, and that there is no other consideration higher than pleasure (taking these terms very broadly).

So yes there is the restraint of pain, but that I think is including in the calculus of pleasure.

So unrestrained in the sense that the calculus of pleasure has no higher consideration to which it must yield.

So maybe the proper term would be "unrestrained calculus of pleasure."
