

PD10 - Interpretations of PD 10 Discussion

Post by "Don" of January 9, 2022 at 12:19 PM

Hmmm. I'll have to think on this some more. Honestly, not sure if I agree or not. But this is a tricky one... At least for us. When discussions like this come up, I always have the feeling that the ancient Epicureans read this and went "Yep, I totally agree with that and it makes perfect sense!" Insert frustration for the lost traditions here.
