

# Is reality real? (from Big Think)

Post by "Cassius" of January 11, 2022 at 2:35 PM

I think this is where I got the idea that the best meaning is "repeated" or "separate" perceptions: [this is Hicks in the Loeb edition](#). "And the reality of separate perceptions guarantees the truth of our senses."

I better wait for [Don](#) to weigh in before thinking too much about Bailey's version drives my blood pressure too high!
