

## **Marshal de Saint Evremond on Epicurus**

**Post by “godek” of December 17, 2018 at 2:30 AM**

I see now they are actually not Epicureans at all. They claim to call themselves "neo-epicureans". Maybe this is where the idea that epicureanism was about enjoying fine food and wine. Isn't that the person that came up with that magazine with the similar name to epicurus or epicurean that is about fine foods and living a french magazine?
