

Marshal de Saint Evremond on Epicurus

Post by “godek” of December 17, 2018 at 3:14 AM

Wow this lady is way ahead of her time.

"For romantic love to flourish, reciprocity must reign between the two partners. Men as well as women must cultivate the gentle arts of charm, flirtation, and fascination. The sexual stereotype of the emotional woman and the rational man must be abolished in favor of a more egalitarian vision of both genders called to develop both their intellectual and affective personalities."
