

2022 Epicurus vs Buddhism Compare and Contrast Thread

Post by “Kalosyni” of January 31, 2022 at 8:24 PM

Buddhists when feeling a sense of "unsatisfactoriness" in oneself might cultivate indifference toward it.

Where as Epicureans when feeling "unsatisfactoriness" might put more effort into cultivating friendship and sharing pleasant and pleasureable experiences with others.

Which has me wondering...how often were festivals, celebrations, shared meal gatherings, etc. part of an ancient Epicurean lifestyle?
