

"Setting Before the Eyes"

Post by "Cassius" of February 3, 2022 at 8:25 AM

Now of course "images" do not appear to be the same thing in the texts as what we see, BUT it seems fair to say that the things that we see do generate images as well as visible sights. So is it possible that we are talking about picturing things so as to summon up the images that are received directly into the mind?
