

From The "Golden Mean" to the "Summum Bonum" - Useful or Deceptive Frames of Reference?

Post by "Scott" of February 16, 2022 at 7:36 AM

[Quote from Don](#)

I don't understand the hesitancy to accept the word "good."

I agree with Don. There's nothing bad about the word good. It may not be the best, but its better than most.
