

# Images of Polyaenus?

**Post by "Charles" of February 23, 2022 at 8:59 AM**

I don't believe we do. But I would check out "The Sculpted Word" and "The Mask of Epicurus", and I recall some project online that sought to use 3-d modeling to reconstruct statues and busts that had some Epicurean works.

Other than that like Cassius said there's likely a catalogue or collection in Italy or Greece that we may be unaware of.
