

"On Methods of Inference": Notes For Review And Discussion (Including David Sedley Article: "On Signs")

Post by "Joshua" of March 15, 2022 at 10:03 PM

We had a bit of a slog through this very question during the podcast recording on Sunday. I was 'off my game' Sunday morning...hopefully with Cassius and Martin engaged in the discussion we managed to produce something intelligible 😞

I still haven't read anywhere near enough of David Sedley's work, so I won't be much help here either!
