

Nate's "Allegory of the Oasis" Graphic

Post by "Cassius" of December 27, 2018 at 5:45 PM

Once again this is great - I particularly like the ghost behind the "desert of illusion"! Is it time to start working on a "legend" or description, or do you think major changes are yet to come? I see you have dropped the "pathways" and that may lead to more questions about how to follow the "progression"
