

# Philodemus On Piety

Post by “Eikadistes” of March 20, 2022 at 11:04 AM

## [Quote from Don](#)

- "natural conception of god" (της του δαιμονος επινοιας) Note we're using daimonos instead of theos here. Not sure why.

[Don](#), do we have any other instances of rhetorical symmetry between *daimonos* and *theos*?
