

Epicurean Change

Post by "Godfrey" of April 8, 2022 at 12:05 PM

Quote from Matt

This state of the pursuit pleasure is the natural state of human behavior, surrounded by a cloud of illusory constructs that tell us to reject this natural state. Those constructs are wrong...they keep us from pursuing pleasure.

Well put: that seems to be the crux of the problem! Not only on the level of the individual, but on the level of society.
