Yes I agree that there are many options that could be made to work. I joke in mentioning "nudist colony"

I would say that not so much a nudist colony, but rather a "Clothing Optional Resort" 😄

After I write my best seller on Epicurean Philosophy, I could travel to Palm Springs (or probably they have them in Florida) and teach philosophy seminars -- that is, when I need a break from my "Epicurean Garden Bed and Breakfast" 😄

(Sometimes brainstorming ideas get a bit carried away, lol, but that is how the best ideas happen, when you just let the creativity flow).
