

Ancient Greek Festivals and Rites

Post by “Don” of April 27, 2022 at 5:27 AM

[Festivals - Hellenion](#)

This link gives an idea of the rites and festivals in which Epicurus may have participated. It's an Ancient Greek neo-pagan website, but they give a good description of each of the festivals. This is also my preferred source for a reconstructed Ancient Greek calendar for determining Epicurus's birthday. Enjoy.
