

Epicureanism and Romantic Love

You guys are awesome. Thank you so much for taking the time out of your day to share such a valuable perspective and knowledge.

Great points.

I plan on reading this thread several times.

"The little woman does not have to be

A raving beauty; she can win your love,

Without the help of any gods, without

The darts of Cupids or of Venuses,

Simply by being decent, neat and clean,

A pleasant person to be living with.

That's about all it takes, and love depends

On habit quite as much as the wild ways

Of passion. Gently does it, as the rain

In time wears through the very hardest stone."

This really got me thinking as well...what a delightful breath of fresh air this sounds like....who knows, maybe one day. 😊
