

Do Pigs Value Katastematic Pleasure? (Summer 2022 K / K Discussion)

Nate:

Thanks for a very good list! By what criteria did you place each reference in each category? Someone reading your post casually might think that the cites themselves categorize the pleasure into the location you placed it, but I gather of course that that is not the case, and you are categorizing them yourself according to some criteria.

Can you spell out as best you can how you organized the two lists?
