Thanks for the details. On the 3 items, let us agree to disagree, especially since they are mostly outside philosophy.

I hope we can meet up occasionally when you are here.

I will be on a time-out in Germany for about 2 months from April, and sooner or later after that 2 weeks in Canada. So, if we cannot meet soon after your arrival, we should have plenty of opportunity in the second half of the year. To discuss details, we should eventually use private communication channels.
