

2022 Epicurus vs Buddhism Compare and Contrast Thread

Post by “Sid” of September 28, 2022 at 2:06 AM

Incidentally since we are comparing vs. Buddhism I'm just wondering has anyone looked at other non-dualistic teachings like Advaita? It would be very interesting to compare I think, especially since Epicureanism stresses reliance on the senses, but radical Advaita dismisses the entire concept of an external reality altogether 😊.
