

Sculptures Damaged at the Vatican

Post by "Don" of October 8, 2022 at 9:05 AM

[Quote from Kalosyni](#)

Seems like they should put them behind glass protectors, or they need to more securely mount them.

They have SO MUCH loot gathered from so many centuries they were probably like, "Oh, could somebody pick that up?"

I realize that's not entirely fair, and we do have them to "thank" for the Vatican Sayings I suppose.
