On the subject of the "art of calumny" -- I will simply say that it would not fit well with PD5:

"PD5: It is not possible to live joyously without also living wisely and beautifully and rightly, nor to live wisely and beautifully and rightly without living joyously; and whoever lacks this cannot live joyously."

I gather that you're saying that developing calumny into an "art" might not be a good idea, rather than that all calumny is a bad idea, since Epicurus himself was apparently regularly engaged in it! 😊
