

Diogenes of Oinoanda And the Timing of Causes

Post by “Cassius” of October 12, 2022 at 2:25 PM

Also FWIW It gives me great pleasure to watch David Sedley dive into these Epicurean ideas and come up with rational and sympathetic understandings of them. Seems to me that Sedley richly deserves to be considered one of the greatest living positive forces for Epicurean understanding, along with MFS, and it's fascinating to watch when Sedley can exceed even MFS in sympathetic interpretation.
