

Do Pigs Value Katastematic Pleasure? (Summer 2022 K / K Discussion)

Post by “Godfrey” of October 20, 2022 at 11:57 AM

[Quote from Don](#)

I need to read this book. Only recently became aware of it. Does anyone else have a review?

Definitely a good read with lots of good information, particularly concerning Epicurus' reworking of Aristotle as I recall. The major negative, for me, was that Farrington considers Epicurus to be a popularizer and an evangelist rather than an original thinker. Also, because of the title I was expecting the book to be about the [Epicurean gods](#), but that's not the case.

I highlighted a lot in the book, but haven't gotten around to digesting the ideas yet.
