

Epicurus' Warning To the Young Man Who Was "Too Prone To The Pleasures Of Love"

Post by "Matt" of February 14, 2019 at 8:25 AM

The story of Origen castrating himself has been circulated since Tertullian and Eusebius's time. Both of them were adversaries of Origen. Scholars dispute it's authenticity since Origen's own writings show that he did not favor a literal view of castration.
