Here is a new graphic I just made. I have incorporated the terms "extravagant desires" and "corrosive desires" from the new book "Living for Pleasure" by Emily Austin.

I am hoping for feedback, do you think this is helpful? Does it need anything different or anything added?

Hedonic Calculus: Choices and Avoidances

Natural
Desires

Necessary Desires:

- ♥ Necessary for the health of the body
- ♥ Necessary for the happiness of the soul

Extravagant
Desires

Corrosive
Desires
