

A Facebook Question On Continental Philosophy and Nate's Response

Post by "Cassius" of January 22, 2023 at 8:55 AM

[Quote from Cassius](#)

Early Continental philosophy was largely oriented toward the works of Kant whose ethics and metaphysics heavily contract with atomism and hedonism.

Nate, should I presume that that should have been "contradict" rather than "ocontract with" and make that correction in the post above?
