Hmmm ... Maybe continue as a thread for brief, fortune-cookie-like snippets and humorisms that might relate to Epicureanism?

I'll toss this in, since I just stumbled on it:

***“Sometimes I think the surest sign of intelligent life elsewhere in the universe is that none of it has tried to contact us.”*** Bill Watterson

(My immediate weird thought was of the [Epicurean gods](#) living in bliss “elsewhere in the universe” - with neither need nor desire to interfere with our affairs.)
