

What is the future of friendship? (Some random thoughts prompted by ChatGPT)

Post by “Cassius” of February 19, 2023 at 2:25 AM

Waterholic thanks for the very interesting post. (Just FYI I edited it only to remove the color attribute from the Russell quote so it would be readable on a dark theme.)

It's 2am for me as I type this so I will respond further later when I think more!
