

# **Ancient and Modern Poets with Epicurean Philosophical Themes**

**Post by "Cassius" of February 23, 2023 at 10:00 PM**

That's great Nate! That post ought to maybe be the beginning of another project or article - we can't keep it buried here. i am sorry I have been very busy today and haven't yet absorbed what this is - is it the beginning of a collection of classical poetry related to Epicurus? I would think Joshua has his own such collection especially with the Shakespeare material?
